**Subject: Representation of the Republic of Croatia in the Digital Research Infrastructure for the Arts and Humanities European Research Infrastructure Consortium (DARIAH ERIC)**

Dear Ms. Chambers,

I am pleased to inform you that the official representative of the Republic of Croatia in the Digital Research Infrastructure for the Arts and Humanities European Research Infrastructure Consortium (DARIAH ERIC, under establishment) will be the Institute of Ethnology and Folklore Research.

The Institute of Ethnology and Folklore Research has developed an innovative infrastructure, including a digital repository, which will be part of a future national repository of non-material cultural heritage. The Institute has established fruitful international cooperation and strong ties with partner institutions abroad, as well. We have been informed that Ms. Koraljka Kuzman Šlogar, Ph. D., Head of Documentation, would serve as the representative in DARIAH.

The Ministry of Science, Education and Sports is therefore pleased to nominate the Institute of Ethnology and Folklore Research as the official representative of the Republic of Croatia in DARIAH ERIC under establishment and it strongly believes that the Institute will greatly contribute to the continued development of research infrastructure in the humanities on the European level. As the other Croatian representing institutions, we nominate the following: University of Rijeka – Faculty of Humanities and Social Sciences; Institute 'Ruđer Bošković' (Library); Institute for Anthropology.

I take this opportunity to reaffirm Croatia's strong support for the DARIAH ERIC initiative and look forward to our cooperation within the consortium.

Yours sincerely,

  
**DEPUTY MINISTER**
