Zagreb), naila@ief.hr

**Recordings, ethnomusicologists,
collaborative archiving and cosmopolitanism:
One historical example
and its digital resumption**

46th ICTM World Conference, Lisbon, July 2022

historical commercial recordings and ethnomusicologists

- privileging live (participatory) performances
 - orientation to the present
 - suspiciousness toward the corporate complex
-
- place of traditional music in the recording industry, and the transformations this brought to it
 - recording industry as a factor of music in culture

Edison Bell Penkala (1926/27 – 1937/38)

the example of foxtrots in the production of EBP

foxtrots' domestication

Goranski fox, 2000
(IEF archive)

standardization of local genres and repertoires

EBP and local cosmopolitanism
